## Meter Seal

### Model: SCS015

Pull-tight plastic seal with metal locking insert. Made of a high quality material that is resistant to high temperatures and weather impact.

This plastic seal is very suitable for sealing of all types of meters for electricity, heating and water and also ideal for fire extinguishers, rescue equipment, valves, taps, cabinets and boxes.

No tools required for application or removal.

**THIS STANDARD SECURITY SEAL WITH CONSECUTIVE NUMBERING IS AVAILABLE FROM STOCK FOR DAY TO DAY SHIPMENT**
